

**Behold His Glory: The Good Shepherd!**

**Sermon #18 , John 10:1-21**

***Main Point: Realize, with fresh eyes, what the Shepherd has done for you.***

**Getting to Know You:** How often do you think about the way God is caring for you on a daily basis?

**Getting into the Book:**

**Read John 10:1-21**

1. What verse or verses stand out to you as being most important? Please explain.
2. Verse 1 states that there is only one way to come into the fold. How is this concept making evangelism difficult?
3. Verse 3 states that the sheep hear His voice. What are you doing to hear His voice and how are you being obedient to what you hear?
4. Verse 6 tells us of two different ways to hear Jesus' words. How does our worldly thinking affect our understanding of the Bible?
5. Verse 10 teaches us that we can have abundant life because of Jesus. Why is it that so many Christians do not have an abundant life?
6. Verse 19 says that there was a division because of Jesus' words. How do Jesus' words cause division today?

**Getting Out There**

7. How are you doing in telling others the gospel message?
8. How are you doing in telling this message to family members specifically?
9. What do you use to share the news about the Good Shepherd? What have you found that does not work for you?

**Pray**

Thank Him for being your Shepherd in as many ways as you can think.
